/*Snow.Code*/

@ SNOW COLLEGE

WHEN?
June 11 – 14, 2018
9:00 AM – 3:30 PM

WHERE?
Snow College Science Building
150 College Ave, Ephraim, UT

Featuring:

- ❖ **Web Development:** Learn to build websites
- ❖ **Game Development:** Build games using Stencyl
- ❖ **3D Design & Printing:** Design and print objects on a 3D printer
- ❖ **Mobile App Development:** Build your own mobile apps

WHO SHOULD ATTEND?

All students age 8 – 18 who aspire to become software developers, game developers, engineers, or entrepreneurs.

WHY SHOULD YOU PARTICIPATE?

To get all the free stuff, of course! You'll also have the opportunity to try some pretty cool technology including web development, game development, 3D printing, and mobile app development.
