Prospective Graduates of 2018

This sheet provides information regarding the prospective graduating class of 2018. There are a total of **1,022** graduates (unduplicated). Some totals represent the degree count which may be duplicated for those students who recieve more than one degree (i.e. AS with CER). The data do not reflect true graduates as verification audits occur throughout the summer.

Gender

Null	1
Female	644
Male	377
